Logistics Memo: M-23-26
March 24, 2026

SUBJECT: APRIL FACEPIECE FIT TESTING

The following companies are to report to the assigned location for facepiece fit testing. Companies are expected to be prompt for their appointment, and will remain on Special Duty status for approximately 1/2 hour until released. Personnel shall have all assigned facepieces with them for fit testing. Please note that fit testing is to occur on site at a different field location each week. Each month, locations within each district will change to facilitate smaller company movements. Companies should be selected based on proximity to field test location. Seven Companies per day will be selected and scheduled by the respective Deputy District Chief. One company will be expected to report each half hour. 0830, 0900, 0930, 1000, 1030, 1100, 1130. Any modifications to the schedule, or locations must be approved by the Deputy Fire Commissioner of Logistics.

The following Districts have been scheduled for field facepiece fit testing for April 2026.

April 7, 8, 9 2026	0830-1200	District 3 Rescue 3 per 2-2-3
April 14, 15, 16 2026	0830-1200	District 1 Engine 18 per 2-2-1
April 21, 22, 23 2026	0830-1200	District 2 Engine 108 per 2-2-2
April 28, 29, 30 2026	0830-1200	District 4 Engine 38 per 2-2-4

Please use the attached email to confirm with BAS, and the roster of members you will be sending to Field Fit Test Locations for fit testing. This is to ensure that all members will be fitted. This is a mandated endeavor, and is ultimately for the safety of the members.
